# ACKNOWLEDGEMENTS

## *Our Partnerships*

Endless gratitude to the comedians who came through and blessed the stage out of sheer support. You offered your craft, your time, and your heart without compensation, and that speaks volumes about your character and your love for the community. Thank you for helping make the event powerful, joyful, and full of energy.

## THANKFUL THURSDAYS: CELEBRATING GRATITUDE

As we head into the season of gratitude, we want to send a heartfelt thank you to the legendary Luenell for choosing Brunch N' Blaze as her 4/20 stop of the day. We are truly grateful for the way she blessed the room with her down-to-earth energy, humor, and unforgettable presence.

We're especially grateful for how she connected with fans up close and personal—her presence truly lit up the space. Thank you, Luenell, for bringing your magic to debut Brunch N' Blaze. We hope to have you again next year!

### 🌿 A NOTE FROM SHIRLFRIEND — OUR FOUNDER

Community is everything. Cannabis saved my quality of life and reshaped my purpose. I've dedicated Brunch N' Blaze to creating a space where we can laugh, learn, advocate, and show up unapologetically as ourselves. Thank you for continuing this journey with me.

## What's New at Brunch N' Blaze

### Next Brunch n Blaze Event on November 29, 2025

We're back with another unforgettable cannabis-inspired experience! This month, we're celebrating community, culture, and the power of education — all wrapped inside an elevated brunch atmosphere. Expect new vendors, new flavors, and new ways to learn about the plant we all love.

### 🕒 What to Expect at Our Next Event

- Gourmet infused + non-infused brunch options
- Signature cannabis education sessions
- Interactive games & live comedy entertainment
- Vendor marketplace showcasing local entrepreneurs
- Safe consumption guidance & stigma-free conversations

Whether you're experienced or cannabis-curious, there's a seat for you.

## ⚖️ Advocacy Corner Stay Informed

Brunch N' Blaze is more than an event — it's a movement.

This month's advocacy highlight:

**Did you know** THCa becomes Delta-9 THC only after heat is applied, making it a legal gray area that's shifting rapidly in North Carolina? Education is key — and we're committed to keeping you informed.

**Your voice matters — and together, we grow.**
